

INFINIUM DX

It's drinkware that stands up to everything under the sun. Developed especially for demanding outdoor venues, Infinium® DX boosts the durability and performance of Infinium premium plastic drinkware with added resistance to damaging citrus juices and sunscreens commonly found at pools, patios and resorts.

Stackable Wake drinkware features a unique organic texture that accentuates creative drink presentations while improving grip and hiding fingerprints and any scratches that may occur.

Year after year, Infinium® performs beautifully

All Infinium products are engineered to maintain their glass-like brilliance even after extensive usage – ideal for demanding outdoor and high-volume environments.

INDUSTRY-LEADING RESISTANCE
resists virtually all stains, odors and tainting of beverage flavor

DISHWASHER DURABLE
maintains “like new” appearance even after hundreds of cycles

TEMPERATURE RESILIENCE
withstands extreme temperatures from boiling to freezing

Prolonged exposure to sunscreens at elevated temperatures can cause a cloudy layer to form on the surface of the plasticware. Citrus drinks not recommended as high acidity may damage the product. Dishwasher safe; not recommended for use in microwave.
