

Certificate of Product for Hopzoil™

April 2025

Product: Hopzoil MAJIK™
All Varieties and Blends

Manufactured Date: varied

Product Description: water-soluble, steam-distilled essential oil made from field fresh hops, highly concentrated, true-to-type, yet with a very “bright” sensory profile.

Manufacturer: Glacier Hops Ranch, Inc.

Raw Material: 100% fresh hop oil (multiple varieties)

Ingredient Breakdown: 50% Fresh hop steam-distilled Oil. Emulsifying agents are flavor neutral, all plant-based and all-natural, with no ethanol, no propylene glycol or similar emulsifiers. The emulsion is a proprietary blend. All ingredients used to emulsify are Generally Recognized as Safe (GRAS) by the FDA.

Shelf Life with Storage Condition: 5 years in the original, unopened packing as of the date of emulsion. Keep at room temperature. Keep away from heat. If any oil is remaining after using, re-cap and keep sealed. If possible back fill with beverage-grade nitrogen or carbon dioxide and re-seal.
