

**THE GOLD STANDARD**  
First introduced in 1904 at the St. Louis World Fair, French's mustard immediately became the gold standard for mustard. Today, French's continues to use certified master stone millers to get the perfect mustard grind that has allowed them to remain the mustard category leader for over 100 years.

**QUALITY INGREDIENTS**  
French's Classic Yellow Mustard is made with only high grade mustard seeds for an unmatched flavor, quality, and elevated dining experience.

**FLAVOR EXPERTS**  
French's continues to use certified master stone millers to get the perfect mustard grind that has allowed them to remain the mustard category leader for over 100 years.

**VERSATILE USE**  
Whether you're using it as a complement to a hot dog or burger, on a sandwich, or as a dipping sauce, our mustard should have a place in your establishment.
