TOOLS FOR ASSEMBLY

- Philips screwdriver
- Wrench
- Drill (Optional)
- Flat-head screwdriver (Optional)

ASSEMBLY STEPS

STEP 1 - Insert all of the *cam locks* (2) and *cam bolts* (3) into the pre-drilled holes.

**Make sure all of the arrows on the cam locks are facing the pre-drilled cam bolt holes*

1.a - Take *panel B* and align the 2 *cam bolts* with the *cam locks* on the back side of *panel A*. Tighten *cam locks*.

1.b - Take *panel C* and align the 3 *cam bolts* with the *cam locks* on the left side of *panel A*, and also the 3 *cam bolts* with the *cam locks* on the left side of *Panel B*. Tighten *cam locks*.

1.c - Take *panel D* and align the 2 *cam locks* with the *cam bolts* on the top-front side of *panel C* with the door catch facing downwards. Tighten *cam locks*.

1.d - Take *panel E* and align the 3 *cam bolts* with the *cam locks* on the right side of *panel A*; the 3 *cam bolts* with the *cam locks* on the right side of *Panel B*, while simultaneously aligning the 2 *cam bolts* with the *cam locks* on *Panel D*. Tighten *cam locks*.

ASSEMBLY STEPS

1.e - Take *panel F* and align the 8 *cam bolts* with the *cam locks* on the top of *panels B, C and E* with the dark black side of the tabletop facing outwards. Tighten *cam locks*.

STEP 2 - Attach doors

2.a - Take *Panel G* and 8 *hinge screws* ④ and screw in both of the hinges to the pre-drilled holes on *panel E*.

2.a - Take *Panel H* and 8 *hinge screws* ④ and screw in both of the hinges to the pre-drilled holes on *panel C*.

ASSEMBLY STEPS

STEP 3 - Lay the cabinet on its back.

3.a - Take each *caster* (5) with 4 bolts (6), washers (7), and nuts (8).

3.b - Insert one *bolt* (6) and a *washer* (7) into each pre-drilled hole from the inner bottom of the cabinet.

3.c - Fasten the *casters* (5) to the outer bottom of the cabinet using the *nuts* (8).

ASSEMBLY STEPS

STEP 4 - Attach *Door Handles* ⑨ and Adjustable Height Shelf

4.a - Insert the 4 *shelf supports* ① at the desired shelf height

4.b - Lift the tabs of the *shelf support* ① and slide the shelf onto the supports.

4.c - Attach each *door handle* ⑨ using 2 *door handle screws* ⑩ each.
