

Poldina Micro

Poldina Pro Micro

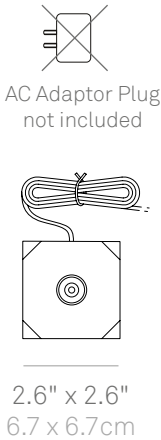

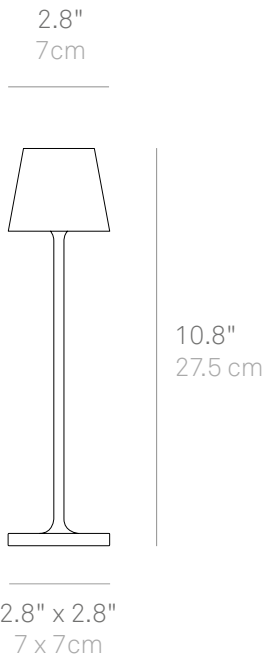

NEW

The Poldina Micro is a cordless lamp for smaller spaces available in exciting bold colors. The battery-operated and rechargeable portable table lamp features touch-dimming control and has 3-CCT color temperature selection for 2200K (candle light), 2700K (warm white), and 3000K (cool white). The integrated LED module is designed and engineered to produce controlled downlight and a gentle uplight glow.
