

How to Assemble

Read all instructions prior to assembly.

For Single Units:

1. Bolt feet to sides and tighten.
2. Loosely bolt top shelf to pick rack sides. Sides should be on outside of shelf.
3. Loosely bolt remaining shelves into place. Front lip of shelves should be up.
4. Bolt a pair of sway braces together at the center to form an "X". Attach the sway brace to the outside flanges of the unit with four nuts and bolts.
5. Level unit and tighten sway brace.
6. Tighten all remaining nuts and bolts.
