

 CORAVIN®
Sparkling®

The Coravin Sparkling® Sparkling Wine Preservation System is the first preservation system to preserve the crisp flavor and effervescence of your favorite sparkling wines for up to 4 weeks, ensuring that the last glass will taste just as amazing as the first.

Now you can enjoy a glass of Champagne, prosecco, cava, and more anytime you like, rather than waiting for a special occasion. Whether it's a pre-dinner glass of bubbly, celebrating the end of a long day, or kicking off the weekend, now you can pop any bottle of sparkling wine without hesitation.

**UNMATCHED
PRESERVATION**

lets you pour from the same perfectly preserved bottle for up to 4 weeks

UNIVERSAL SECURE FIT

on any half, standard or magnum sparkling wine bottle

CO² CAPSULES

each preserve up to 7 standard 750ml Bottles

EASY-TO-READ STATUS INDICATOR

Know when your bottle is fully charged with CO₂ gas or when to replace your Capsule.

CORAVIN PURE™ SPARKLING CO₂ CAPSULES

Proprietary Capsules filled with pure CO₂ preserve the flavor and bubbles in your bottles.

SPARKLING STOPPER LOCKS SECURELY ON ANY BOTTLE

The patent pending Sparkling Stopper adjusts to fit any half, standard or magnum bottle and locks securely in place.

CHARGE YOUR SPARKLING WINES WITH CO₂

The Coravin Sparkling System charges your bottle with pure CO₂ gas, creating a protective layer to maintain your wine's bubbly freshness.
