

OWNER'S MANUAL

SERVICE CART PRO

Care and Maintenance Instructions

Models:

SC337, SC337S

Care and Maintenance

1. Clean with mild detergent, hot water and a soft cloth. **DO NOT** use detergents or cleaners containing ammonia or bleach. Cart can be steam cleaned.
2. Hand wash using a soft cloth or brush to clean all interior and exterior surfaces. **DO NOT** use steel, wool or abrasive scrub pads or brushes.
3. Use a clean moist soft cloth to remove any remaining soap and dirt.
4. Air dry

Caster Maintenance - Cleaning Instructions

- Grease swivel raceway of caster using a lubricant such as Lubriplate No. 930-AA, Keystone #84EPXLT multi-purpose grease or the equivalent. Moving O-ring or seal with finger, apply grease using a grease gun with a needle nose adapter or a tube-type applicator such as "Sta-lube" Moly-graph Assembly Lube. These can be obtained at most auto parts stores.
- Use a light oil such as WD-40 on the nylon bushing at the hub. Check caster for any damage and test caster spin and swivel rotation before returning to service

Warranty

Cambro warrants to the original buyer that if a product proves defective:

- Within 1 year from the date of manufacture, Cambro will replace the product free of charge; or,
- After 1 year and up to 2 years from the date of manufacture, Cambro will grant a credit of 2/3 off replacement product; or,
- After 2 years and up to 3 years from the date of manufacture, Cambro will grant a credit of 1/3 of the original price towards a replacement product.
- Improper product use, product abuse or failure to follow the care and usage instructions noted in this manual voids the above warranty.
