Assembly Instructions For Siena & Ravenna Benches

Tools required: 9/16" ratchet or wrench. (Ratchet recommended.)

Note: These instructions are intended for various models and configurations. Your products may not look exactly as those shown in the diagrams.

Important: The assembly process requires that some hardware be kept loose until later in the sequence. Follow these instructions closely to ensure correct assembly.

Recommendation: Retighten all bolts on a seasonal basis to ensure your product remains strong and stable for many years of use.

Weight Capacity: All benches in these series have a weight capacity of 400 lbs. per seat, except the loveseat bench which has a capacity of 500 lbs., unless otherwise stated.

1. Unpack and identify all parts.
2. Orient seats side-by-side, as shown in figures 1 through 4, depending on how many seats in your bench
3. Pay close attention to correct leg positions. Note that center seats have bolt holes on both sides. End seats have bolt holes on one side only.
4. Connect all adjoining seats using 2" bolts, washers and nuts. Finger tighten nuts only.
5. Place bench assembly upright on a level surface and align bottom edges of adjoining seats, as shown in figure 1.
6. Tighten all bolts securely.
7. Your bench is now assembled and ready to use.

Thank you for purchasing a Lesro product.
