ASSEMBLY INSTRUCTIONS

ACRYLIC SNEEZE GUARD FOR STEAM TABLES

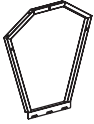

SERVIT HOLD IT
HEAT IT
MOVE IT

MODELS: 423ST2B1SC, 423ST3B1SC, 423ST4B1SC, 423ST5B1SC

PARTS

NOTE: 2 and 3 well models do not have a middle support (E) or the three screws used to attach it.

A Right Bracket (1)

B Left Bracket (1)

C Acrylic Side Plate (2)

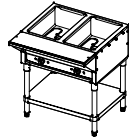

D Acrylic Cover Plate (1)

E M8*16 Outer Hexagon Bolt (18)

F Steam Table (1)

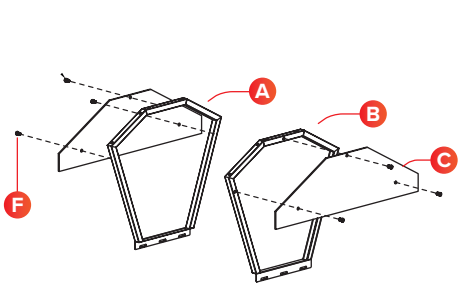

(Sold Separately)

G M6*16 Round Head Bolt (6)

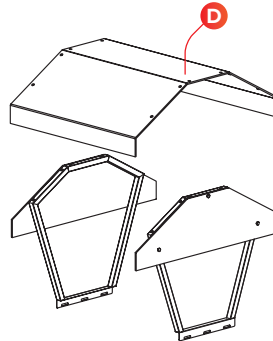

STEP 1

Attach the two acrylic side plates (C) to the right and left brackets (A)/(B) using six outer hexagon bolts (E).

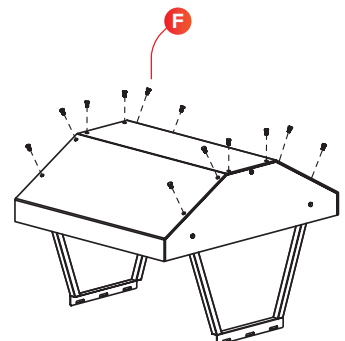

STEP 2

Once the side plates are attached to the brackets, place the acrylic cover plate (D) on the brackets.

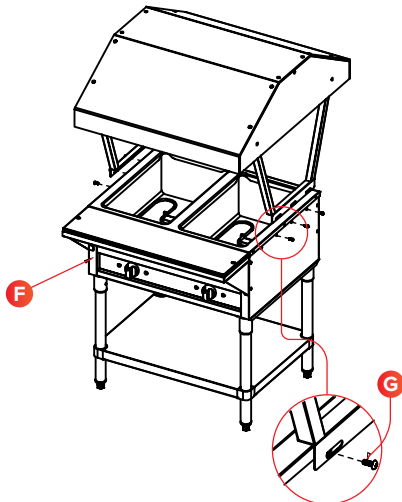

STEP 3

Use 12 outer hexagon bolts (E) to attach the cover plate (D) to the brackets.

STEP 4

Place the attached cover with brackets to your assembled steam table (F).

Finally, screw in the brackets to the steam table using six round head bolts (G). Assembly complete.

FINAL ASSEMBLY
