For 10 years, we have proudly been **the leader** in the jackfruit market!

We pioneered a supply chain that works with over +1700 farmers to harvest this remarkable plant, sustainably!

Today we are excited to announce our new and improved Naked Jackfruit with upgraded packaging.

- Still only four simple ingredients, with Jackfruit being the first ingredient!
- Lighter color on the jackfruit that more closely resembles pork or chicken.
- Improved texture that is firmer and allows marinades and seasoning to absorb quickly and easily.
- The same neutral flavor that makes jackfruit an excellent starting point for any dish, tacos, sandwiches, bowls, etc.
- Full-color graphics with extended preparation instructions and recipe inspiration.
- **No Change to the UPC or Package dimensions.** The product will flow through in Q3-Q4 2023.
