

VERSATILE FOOD STORAGE SOLUTIONS  
FOR COMMERCIAL KITCHENS

# Food Storage Boxes

## Prep, Store, and Transport

Keep bulk produce, fish, meat, or poultry fresh and organized with these commercial grade food storage boxes. Available in clear polycarbonate or white polyethylene, these versatile food boxes can be used to prep, store, and transport food items.

### Reinforced Corners

Prevent chipping and warping, making it withstand kitchen wear and tear.

### Easy Transport

Molded-in handles provide a secure grip and allow for easy transport in any busy kitchen.

### Built-In Indicators

Capacity indicators molded into two sides, as well as labeling windows on all four sides.

### Stackable

Stacking lugs allow you to maximize space by storing all your food boxes together when not in use.
