

2+1 Warranty Program

To QUALIFY FOR THE B&P 2+1 EXTENDED WARRANTY PROGRAM:

- Hand truck(s) must be fully assembled in Cadillac, MI.
 - Program excludes boxed and knocked down hand trucks
- Each hand truck must be composed 100% of B&P Manufacturing components.
- The following items are excluded from the 2+1 program and will be covered under the original warranty of the product individually: tires, inner tubes, wheels (unless expressly specified otherwise in our literature), bearings, casters, phenolic rollers, cast nose plates, cast stair climbers, accessory bags and lift chains. The warranty obligations of B&P Manufacturing shall in all respects conform and be limited to the warranty extended to B&P Manufacturing by the supplier.
- Qualifying hand trucks must be registered by the consumer within 30 days of purchase or for larger orders completed by the distributor within 30 days of delivery to the end user.

HOW TO REGISTER:

The 2+1 Extended Warranty Program label will be placed on the top right portion of the logo channel as shown.

The end user can either visit **warranty.bpmfgproducts.com** or scan the QR code provided on the Warranty Label where they will be directed to fill out the registration form.

If the quantity of hand trucks to register is greater than 5, the Distributor can request an excel document for larger batch registration from Customer Service or their Regional Territory Manager.
