

# EASYFLEX LIMITED WARRANTY

Easyflex offers a Limited Warranty on gas connectors, water connectors, and components that are installed by qualified installers and sold by Easyflex, under normal conditions of use. This warranty covers manufacturing defects in material and workmanship for the lifetime of the original installation. However, reimbursement is only available if the failure or leak resulted from a manufacturing defect and occurred during the warranty period.

The warranty does not cover failures or damage caused by components other than those manufactured or sold by Easyflex, improper installation or handling, exposure to abnormal environmental conditions, freezing, or exposure to operating use or conditions outside those specified by the manufacturer. Acts of nature such as earthquakes, fire, flood, or landslide are also not covered.

The warranty periods for Vectoflex CSST, Vectorflow CSST, gas connectors, water connectors, and no hubs are as follows:

- 1. For Vectorflex CSST warranty, please visit [vectorflex.com](http://vectorflex.com).**
- 2. For Vectorflow CSST products, this limited warranty will be for (1) year from the original date of purchase.**
- 3. For all gas connectors, this limited warranty will be for two (2) years from the original date of purchase.**
- 4. For all water connectors, this limited warranty will be for one (1) year from the original date of purchase.**
- 5. For all no hubs, this limited warranty will be for one (1) year from the original date of purchase.**

Easyflex does not authorize any person or firm to create any other obligation or liability in connection with its products.

Easyflex shall not be liable for consequential economic loss damages under any legal theory, and the Limited Warranty is in lieu of all other warranties, express or implied, including but not limited to, the implied warranties of merchantability and fitness for a particular purpose.
