Eurodib will repair or replace any item found defective in material or workmanship when operated under normal use and care according to the instructions provided with the unit. Minor imperfections, surface markings due to shipping, and slight color variations are normal. Damage to equipment from misuse or abuse, such as improper cleaning, improper installation, neglect, accident, alteration, fire, theft, etc., will not be covered under warranty. This policy applies only in Canada and the United States of America; any items located outside of these two countries are not covered under warranty. The warranty on all items is non-transferable under any conditions.
