

5-Year Warranty

for Polyethylene Gardening Pots Floridis

Thank you for choosing our plant pot. To ensure your confidence in our quality and durability, we offer a 5-year warranty against manufacturing defects from the date of purchase.

This warranty covers:

- **Structural Issues:** Manufacturing defects compromising the structural integrity of the pot.

This warranty does not cover:

- **Damage Due to Misuse:** Any damage resulting from improper use, including dropping, negligence, or use not in accordance with instructions.
- **Normal Wear and Tear:** Everyday use and expected wear over time.
- **Damage Due to Extreme Environmental Conditions:** Exposure to extreme temperatures, intense sunlight, chemicals, or other adverse conditions not suitable for pot use.

To activate this warranty, please contact us with your proof of purchase (invoice) and photos/videos for evaluation of the defect by mailing info@floridis.com.

Following the assessment, if the defect is deemed covered by this warranty, we will offer repair or replacement of the pot at our discretion.

This warranty is valid only for the original purchaser and is non-transferable. Any modifications made to the pot without our authorization void this warranty.

Your satisfaction is important to us, and we are committed to providing quality products that enhance your gardening experience.

Sincerely,
