

Fry Factory Product Warranty Guide

Fry Factory warrants new Fry Factory products and certain products sold by Fry Factory under other brand names to the original end user ("Owner") when installed within the United States, against defective material and workmanship for one (1) year from the date of original installation.

Fry Factory will repair or replace, at its option, all parts found to be defective and subject to this warranty.

Certain Fry Factory parts, expendable by nature and that need to be replaced frequently, may not be covered (Ex - Blades).

This warranty is conditioned upon Fry Factory receiving notice of any defect subject to this warranty within thirty (30) days of its discovery by the Owner.

This warranty does not apply to damage resulting from fire, water, burglary, accident, abuse, misuse, acts of God, attempted repairs, or improper installation by unauthorized persons. Failure to follow your Instruction Manual's use, care, or maintenance instructions may void this warranty.

THIS WARRANTY EXCLUDES ALL ORAL, STATUTORY, EXPRESS, OR IMPLIED WARRANTIES THAT MAY BE APPLICABLE TO FRY FACTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE.

Fry Factory shall have no obligation or liability of any kind or character, including any obligation or liability for consequential or special damages arising out of, or concerning, the product, its sale, operation, use, or repair.

Fry Factory neither assumes nor authorizes anyone else to assume any obligation or liability in connection with the product, its sale, operation, or use, other than as stated herein.
