

LIMITED WARRANTY

1 YEAR WARRANTY

All of the materials and workmanship used in the construction, manufacturing or assembly of all Lavex Janitorial Portable Hand Sinks are guaranteed under normal conditions of usage for **one year** (two years or three years if specifically stated) after the **date of shipment**. If the purchaser discovers a defect in the materials or workmanship of a Lavex Janitorial sink within the warranted time after the date of shipment, Lavex Janitorial will, at its own discretion, either

- Repair the non-conforming product,
- Replace the product with the same or substantially similar product, or
- Reimburse the buyer for the pro-rated purchase price of the non-conforming product.

WHAT THIS WARRANTY DOES NOT COVER:

Lavex Janitorial reserves the right to inspect the sink(s) before repairing, replacing or reimbursing the buyer. Therefore, at the preference of the sink(s) in question must be returned or available for on-site inspection. Modifying or installing the sink(s) may void the warranty. The decision to void this warranty will be made at the sole discretion of Lavex Janitorial.

IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE

“Warranty that exists when a seller should know that a buyer is relying on the seller’s expertise”. If so, if a Lavex Janitorial customer does not inquire or ask for information or recommendation of products suitable for a particular end use application prior to its sale, Lavex Janitorial will not be liable for failure of its products in the field. All portable hand sinks should be confirmed that the sink’s resistance properties can survive in the environment in which it is intended.
