

Luigi Bormioli

GUARANTEED GLASSWARE

Congratulations! You now own the highest quality stemware available. Made in Italy, your new glasses represent an exciting combination of elegance and technology. In addition to having ideal bowl shapes, fine rims, and beautifully drawn stems that are synonymous with Luigi Bormioli glassware, your glasses were produced in SON.hyx®; Luigi Bormioli's proprietary combination of lead-free materials. The result is a glass with an extremely high level of transparency and brilliance, has a beautiful sound, maintains its clarity after thousands of industrial dishwashing cycles, and possesses a level of durability and strength that you can enjoy for many years to come. Salute!

1. Ultra clear lead free crystal glass totally transparent.
2. High resistances to breakage.
3. Resistant to over 4000 industrial cycles: sparkling maintained.

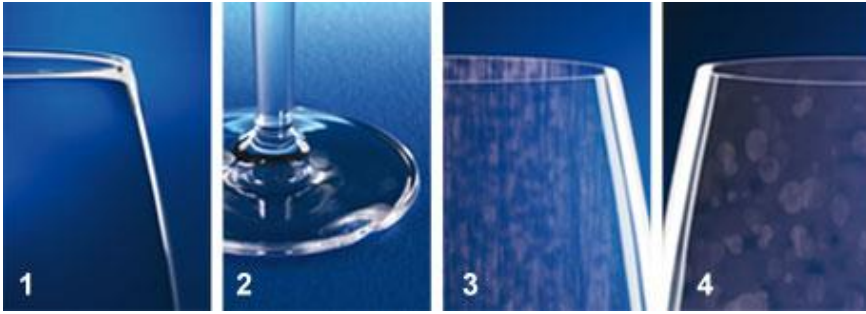

CARE & HANDLING

Feel free to hand wash or place in the dishwasher after each use. Make sure to rinse thoroughly in order to maximize your wine tasting experience.

LIMITED GUARANTEE COVERAGE & DETAILS *

The 25 year Limited manufacturer's Guarantee covers chipping on the rim or foot as well as any discoloration or cloudiness resulting from washing (see photos for chipping and discoloration). If you experience any of these issues, Luigi Bormioli will replace your glass at no cost to you (customer is responsible for the cost to return chipped/discolored glass to Luigi Bormioli).

** This guarantee does not cover broken glassware or any glassware that is damaged as a result of improper care and handling.*

DISCLAIMER:

Luigi Bormioli reserves the right to examine each case and determine in its sole discretion if the claim warrants a replacement or not. Luigi Bormioli makes no other warranty (expressed or implied) for its products with this statement of guarantee. This is a limited guarantee for domestic users only—restrictions apply.
