

MANUFACTURERS WARRANTY

TWO YEAR LIMITED PARTS & LABOR WARRANTY

Model 495HTGW22 only is warranted to the original purchaser to be free from defects in material or workmanship, under normal use and operation for a period two (2) years from the date of purchase for parts and ninety (90) days for labor when purchased from an authorized dealer.

Noble agrees under this warranty to repair or replace, at its discretion, any original part which fails under normal use due to faulty material or workmanship during the warranty period, provided the equipment has been unaltered, and has been properly installed, maintained, and operated in accordance with the applicable factory instruction manual furnished with the machine, and the failure is reported to the authorized service agency within the warranty period. This includes the use of factory specified genuine replacement parts, purchased directly from a Noble authorized parts distributor or service agency. Use of generic replacement parts may create a hazard and void warranty certification. The labor to repair or replace such failed parts will be paid by Noble within the continental United States during the warranty period, provided a Noble-authorized service agency, or those having prior authorization from the factory, performs the service. Any repair work by persons other than a Noble-authorized service agency is the sole responsibility of the customer. Labor coverage is limited to regular hourly rates. Overtime premiums and emergency service charges will not be paid by Noble.

Accessory components not installed by the factory carry a two (2) year parts warranty only. Accessory components such as table limit switches, pressure regulators, pre rinse units, etc. that are shipped with the unit and installed at the site are included. Labor to repair or replace these components is not covered by Noble. This warranty is void if failure is a direct result from shipping, handling, fire, water, accident, misuse, acts of god, attempted repair by unauthorized persons, improper installation, if serial number has been removed or altered, or if unit is used for purpose other than it was originally intended.

ITEMS NOT COVERED

This warranty does not cover cleaning or deliming of the unit or any component such as, but not limited to, wash arms, rinse arms, or strainers at anytime. Nor does it cover adjustments such as, but not limited to, timer cams, thermostats, or doors, beyond 30 days from the date of installation. In addition, the warranty will only cover the replacement of wear items such as curtains, drain balls, door guides, or gaskets during the first 30 days after installation. Also not covered are conditions caused by the use of incorrect (non-commercial) grade detergents, incorrect water temperature or pressure, or hard water conditions.

WARRANTY INQUIRIES AND HOW TO MAKE A CLAIM

Have your model number, serial number, and proof of purchase information ready.

To make a claim, please contact Ready Kitchen Warranty via one of the below methods. You will need your model number, serial number, and original order number to make an inquiry or claim. Including pictures or videos, as well as a description of the problem, will help to expedite claim processing time.
