

The following warranty covers Champion & Tuff Grills. Coverage, Warranty Period, and Operational Exclusions are outlined below.

COVERAGE:

- A. **Main Body Frame:** Against structural defect and extensive warpage, due to normal operating usage.
- B. **Casters:** Includes damage during initial shipping and normal operational stress. Excludes damage due to dropping of the grill or mishandling during use.
- C. **Supportive Tubing:** Bends or breaks during normal operation or during shipping
- D. **Interior Walls:** Extensive warpage or burnout while using our prescribed fuel usage methods.
- E. **S.S. Splash Guard (Top Rim):** Extensive warpage or structural flaw while using prescribed operational methods.
- F. **Doors:** Warpage or burnout, damage due to normal usage.
- G. **Ash Pans:** Warpage, burnout, damage due to normal usage.
- H. **Exterior Finish:** Disfiguring flaws in stainless steel outer finish due to Shipping or inferior workmanship.

WARRANTY PERIOD:

- A. All parts protected under warranty will be covered for 36 months from the date of Invoice.
- B. All labor costs incurred in repairing warranted items will be covered for twelve (12) months from date of invoice.
- C. All claims must be filed in writing.
- D. All labor or parts purchases must be approved by Smokey Mountain Grill, LLC. prior to execution. We withhold the right to refuse payment on unauthorized warranty purchases.
- E. Service agents must be approved by Smokey Mountain Grill, LLC prior to service work being performed on the Champion & Tuff Grills.

OPERATIONAL EXCLUSIONS: Items not included in warranty coverage are top grates, bottom grates, diamond grates, rotisseries, over-shelf, gas log ignition system and firebrick.

Specific operational procedures are outlined in the Owner's Manual. Use of the grill for purposes not outlined in the manual or in a manner inconsistent with manual training may invalidate your warranty.
