

**VEND-RITE Manufacturing Co.**

## **WARRANTY POLICY**

To Whom It May Concern:

Our venders are guaranteed against any defects in material or workmanship for 12 months from the date of delivery to original installation. This warranty does not apply if mounting instructions or maintenance steps in the operations manual are not followed, or if the vender has been subject of abuse, misuse or accident. Your local distributor will offer service to the vender or you can call Vend-Rite at 1-800-777-1802 for phone service Monday through Friday 7-4 CST.

We offer "satisfaction guaranteed" on all of our supplies, such as our plastic bags, drop off service bags, signs, oxiclean, and the Coin Op line. If any of these are found to be defective or unsatisfactory, return the unused product for replacement or refund on the unused product. Please call in advance for authorization to return.

Sincerely,

Vend-Rite Co.,Inc.
