Keep your box and all packing materials.

Sunkist Growers, Inc. warrants this juicer to be free from defects of workmanship and material under normal installation, use and service. The juicer is required to be operated solely on the electric current indicated on the nameplate. Damage or malfunction caused by use on other electrical current is excluded from this warranty. This warranty is limited to repair or replacement of original parts, which in the opinion of Sunkist Growers, Inc., are defective in workmanship or material.

Should your juicer require repair within one (1) year from date of purchase, Sunkist Growers, Inc. will, upon receipt of proof of purchase and the machine, shipped prepaid, repair or replace the juicer at no charge and return the unit to a U.S. destination at our expense. The completed warranty card must be returned to Sunkist within 15 days of purchase to qualify for warranty repairs. This warranty does not cover breakage or damage of any part caused by misuse or in shipment to Sunkist. If outside of the United States, please contact your sales representative for repair information.

This warranty is in lieu of all warranties expressed or implied, in fact or by law, and no person is authorized to assume on Sunkist's behalf any other liability in connection with the sale of this machine. Sunkist shall not be responsible for any lost profits, consequential, incidental, indirect, special or punitive damages.

Prior to returning your juicer, please call 800 383-7141 to obtain a warranty return authorization number.
