1

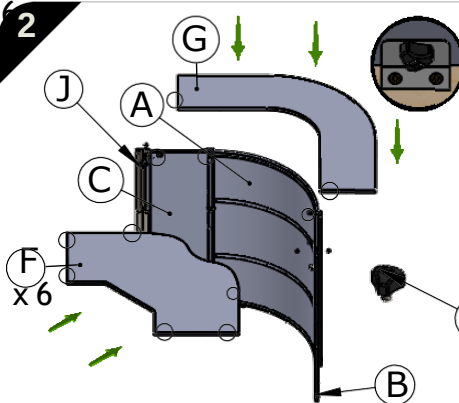

If you use add-on
En caso de usar complemento

1 Place the pole (J) on the side of the complement of the curve (C) and secure it with 3 screws (I) using the Allen key (L).

1 Colocar el poste (J) al costado del complemento de la curva (C) y asegurarla con 3 tornillos conectores (I) usando la llave allen (L).

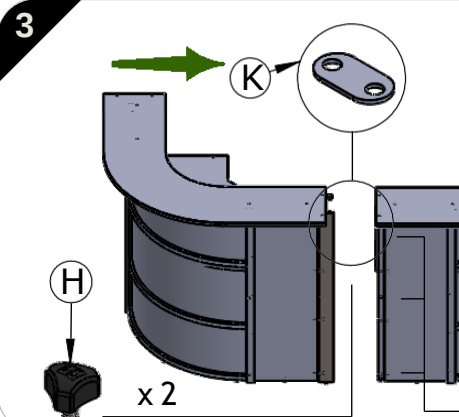

2

2 Place the bottom cover over (F) on the lower square brackets (J) and curve (A) and secure it with cover knob (H). Then place the top cover (G) and secure it with cover knob (H) at upper escudras of the pole (J) and the curve (A).

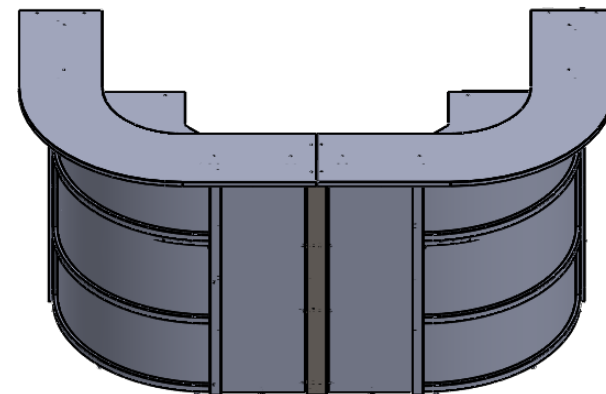

2 Colocar la cubierta inferior (F) sobre las escuadras inferiores del poste (J) y la curva (A) y asegurarla con regatón de tornillo (H). Luego colocar la cubierta superior (G) y asegurarla con regatón de tornillo (H) a las escuadras superiores del poste (J) y la curva (A).

3

3 Attach the next curve (B) to the pole (J) with the help of screws (I) and L. Join the central covers to the pole with cover knobs (H) and join the outside of the top covers with the plate (K) and cover knobs (H).

3 Atornillar el siguiente complemento (B) al poste (J) con ayuda del tornillo conector (I) y L. Fijar las cubiertas al poste con regatón de tornillo (H) y unir el exterior central de las cubiertas superiores con la solera (K) y regatón de tornillo (H).

Limited 5-year warranty

Creaciones Industriales S.A de C.V (Crisa) warrants its products against manufacturing, material and workmanship defects to the original purchaser from the date of purchase for a period of 5 years. The warranty is subject to the products still being owned by the original purchaser and installed, used and maintained in accordance with product instructions and warnings.

Warranty duration:

- 1) 5 years: desk, bookcases, credenzas and file cabinets
- 2) 1 year: plastic caps, locks, hinges, fabric, casters, panels and accessories.

Limitations:

Damage caused by the carrier-in-transit is handled under separate terms as defined by the carrier.

Exclusions:

- 1) Damage resulting from improper product installation, assembly or disassembly.
- 2) Normal wear and tear as expected over the course of ownership.
- 3) Modifications or attachments to the product not approved by CRISA - Linea Italia.
- 4) Product used for rental purpose.
- 5) Damage resulting from products stored in warehouse more than one year.

Warranty will not be applicable in the following cases:

- 1) Products that were not installed, used or routinely and properly maintained in accordance with product instructions and warnings.
- 2) Product used in different conditions than intended.
- 3) Product not assembled according to the provided written instructions.
- 4) Product changed or repaired by non CRISA authorized personnel.
- 5) Defects occurring after the purchase by natural disasters, product modification, intentional damage, accident, misuse, abuse, negligence or exposure to the elements.
- 6) Damages caused by third party carriers other than Creaciones Industriales S.A de C.V. (Linea Italia). To the extent allowed by law, Crisa makes no other warranty, either express or implied, including any warranty of merchantability or fitness for a particular purpose. Crisa will not be liable for any consequential or incidental damages.

Notice to Purchaser for home or personal use:

Federal law does not permit the exclusion of certain implied warranties for consumer products. Therefore, if you are purchasing this product for home or personal use, the exclusion of implied warranties noted in the above paragraph does not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and many also have other rights, which vary from state to state.

Warranty procedure

- 1) Your Linea Italia reseller will work with CRISA in supporting the warranty request.
- 2) Defects must be reported immediately when discovered. Please contact Reseller from whom the product was purchased and provide SKU#, invoice # or date of manufacture from the product.
- 3) Provide a detailed description of the problem with photos, lot number and invoice number, if available. It is important not to remove any labels from the product as they provide important traceability information. It is helpful if original product packaging is still available to provide photos of the product packaging.
- 4) A customer service representative from the Linea Italia reseller or CRISA will determine whether to provide replacement parts, authorize repair or replace the product provided CRISA affirms that the products in question is eligible under the conditions of the warranty as stated above.
- 5) CRISA will review the defect and determine whether it is related to material or workmanship. If the defect is not related to manufacturing, cost of replacement parts and shipping will be the customer's responsibility.

Creaciones Industriales S.A de C.V reserves the right to change products, technical specifications, accessory combinations, colors images and data any time without notice.

Cleaning and care of your furniture

Our furniture is manufactured using a high quality melamine laminate with durable pvc edging. The melamine surface is highly resistant to common hazards such as scratches, peeling, moisture and heat. There may be glue residue on the surface of the furniture remaining from the manufacturing process. If you find residue, it can be easily removed using a soft cloth moistened with isopropyl (rubbing alcohol). For regular maintenance of your furniture, use a soft cloth with a mild cleaning solution. Never use abrasives or harsh chemicals to clean the furniture as it may harm the finish. Leveling glides can be adjusted to compensate for uneven floors.

Limpieza y cuidado de su mueble

Nuestros muebles son fabricados utilizando un melamina de alta calidad, laminado con cubrecanto durable pvc. La superficie de melamina es altamente resistente a las amenazas comunes, tales como rayones, golpes, humedad y el calor. Puede haber restos de pegamento en la superficie del mobiliario, restante del proceso de fabricación. Si se encontraran estos residuos, se pueden quitar fácilmente con un paño suave, humedecido con isopropílico (alcohol de frotar). Para regular mantenimiento de sus muebles, utilice un paño suave con una solución de limpieza. Nunca utilice abrasivos ni químicos fuertes para limpiar el mueble ya que podría dañar el acabado. Niveladores ajustables para compensar las irregularidades del suelo.
