

# SAFETY DATA SHEET

Issue date 15 September 2024

FM000084-00.6

This Safety Data Sheet (SDS) has been prepared in accordance with the U.S. OSHA Hazard Communication Standard (29 CFR 1910.1200) to provide safe handling information for the industrial setting such as in manufacturing facilities, transport, warehouses, stores and professional settings where product is used for institutional and commercial purposes. This SDS is designed to cover both U.S. and Canada, differences between U.S. and Canadian requirements are noted where applicable.

Consumer Products as defined by the U.S. Consumer Product Safety Act and Federal Hazardous Substances Act and which are used for the intended purpose in the household setting or in a workplace setting with typical consumer duration and frequency are exempted from the U.S. OSHA Hazard Communication Standard (29 CFR 1910.1200).

## Section 1: Identification of Product and Company

|                     |                                        |
|---------------------|----------------------------------------|
| Product Name        | Multi-Surface Wipes - Garden Mint      |
| Synonyms            | None                                   |
| Product Use         | Hard Surface Cleaning                  |
| Restrictions on Use | Follow directions on the product label |

|                   |                                           |
|-------------------|-------------------------------------------|
| Manufacturer Name | Seventh Generation, Inc.                  |
| Address           | 60 Lake Street, Burlington, VT 05401, USA |

|                                                  |                          |
|--------------------------------------------------|--------------------------|
| Emergency Telephone Number                       | U.S., Canada             |
| Monday - Friday 8 am - 5 pm ET (except holidays) | 1-800-211-4279           |
| Outside these hours                              | 1-800-255-3924 (ChemTel) |

## Section 2: Hazards Identification

|                |                                                                                                                |
|----------------|----------------------------------------------------------------------------------------------------------------|
| Classification |                                                                                                                |
| U.S.           | This product is not considered hazardous under the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200). |
| Canada         | This product is not considered hazardous under the WHMIS 2015.                                                 |

## Section 3: Composition, Information on Ingredients

Regardless of hazard classification, Seventh Generation discloses all intentionally added ingredients and, if applicable, incidental ingredients.

| Ingredient                   | Function       | CAS Number <sup>1</sup> | Concentration <sup>1</sup> |
|------------------------------|----------------|-------------------------|----------------------------|
| aqua (water)                 | diluent        | 7732-18-5               | 80% to 100%                |
| octyl/decyl glucoside        | cleaning agent | 68515-73-1              | 0.1% to 1%                 |
| sodium citrate               | water softener | 68-04-2 / 6132-04-3     | 0.1% to 1%                 |
| laureth-6                    | cleaning agent | 68439-50-9              | 0.1% to 1%                 |
| citric acid                  | pH adjuster    | 77-92-9                 | 0.1% to 1%                 |
| fragrances*                  | fragrance      | mixture                 | 0.1% to 1%                 |
| sodium benzoate              | preservative   | 532-32-1                | 0.1% to 1%                 |
| potassium sorbate            | preservative   | 24634-61-5              | 0.1% to 1%                 |
| Substrate:                   | .              | .                       |                            |
| blend of lyocell and viscose | wipe material  | .                       | 100%                       |

# SAFETY DATA SHEET

Regardless of hazard classification, Seventh Generation discloses all intentionally added fragrance ingredients. Fragrance ingredients that contribute to the product classification in Section 2 are listed in Section 3 above with CAS number.

\*Refer to detailed Fragrance Information in Section 15.

<sup>1</sup> Where ranges are shown, the exact concentration has been withheld as a trade secret. Where WITHHELD is shown, the CAS number has been withheld as a trade secret.

## Section 4: First Aid Measures

|                                     |                                                                                                                      |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------|
| Eye Contact                         | Flush eyes with water immediately after contact. Contact a physician if irritation develops or persists.             |
| Skin Contact                        | Rinse thoroughly with water. Call a physician if irritation or rash develops or persists.                            |
| Ingestion                           | Drink one glass of water or milk immediately. If prolonged nausea or pain occurs call a doctor.                      |
| Inhalation                          | If irritation occurs, remove to fresh air. If breathing is affected, call a physician.                               |
| Notes to Physician                  | Treat symptomatically.                                                                                               |
| Most important symptoms and effects | Acute exposure may result in eye irritation. Symptoms of acute exposure may include the following: redness and pain. |

## Section 5: Fire Fighting Measures

|                                                       |                                                                                                                    |
|-------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| Suitable Extinguishing Media                          | As appropriate for surrounding fire. Use water, dry chemical, carbon dioxide or foam.                              |
| Unsuitable Extinguishing Media                        | Not available.                                                                                                     |
| Specific Hazards arising from the chemical mixture    | Not available.                                                                                                     |
| Hazardous Combustion Products                         | Not available.                                                                                                     |
| Protective Equipment and Precautions for Firefighters | Fire fighters should wear full protective clothing and self contained breathing apparatus as for surrounding fire. |

## Section 6: Accidental Release Measures

|                                         |                                                                                                                                                                                                                                                     |
|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal Precautions                    |                                                                                                                                                                                                                                                     |
| Industrial Setting                      | Wear appropriate personal protective equipment (refer to Section 8).                                                                                                                                                                                |
| Environmental Precautions               | Avoid entry into lakes, streams, ponds or public waterways.                                                                                                                                                                                         |
| Methods for Containment and Cleaning Up |                                                                                                                                                                                                                                                     |
| Industrial Setting                      | Before attempting clean up, refer to hazard data given. Pick up large pieces and place in a suitable container. Do not flush to sewer or allow to enter waterways. Dispose in accordance with all applicable local, state, and federal regulations. |

## Section 7: Handling and Storage

|                           |                                                                        |
|---------------------------|------------------------------------------------------------------------|
| Safe Handling             |                                                                        |
| Industrial Setting        | Wear appropriate personal protective equipment (refer to section 8).   |
| Safe Storage              | KEEP OUT OF REACH OF CHILDREN AND PETS.                                |
|                           | Store in original container and keep container closed when not in use. |
| Storage Incompatibilities | None known.                                                            |

# SAFETY DATA SHEET

## Section 8: Exposure Controls, Personal Protection

|                                     |                                                                        |
|-------------------------------------|------------------------------------------------------------------------|
| Exposure Limits                     | Occupational exposure limits                                           |
| Component Information:              |                                                                        |
| Engineering Controls                | General ventilation.                                                   |
| Personal Protective Equipment (PPE) |                                                                        |
| Industrial Setting                  |                                                                        |
| Respiratory Protection              | None required under normal conditions. General ventilation required.   |
| Eye Protection                      | Goggles or other protective eye wear may be worn for protection.       |
| Skin Protection                     | Gloves may be worn for protection.                                     |
| Hygiene Measures                    | Handle in accordance with good industrial hygiene and safety practice. |

## Section 9: Physical and Chemical Properties

|                |                                               |
|----------------|-----------------------------------------------|
| Physical State | Liquid (wipe saturated with liquid)           |
| Color          | Colorless (water-white)                       |
| Clarity        | Clear                                         |
| Odor           | Fragranced. Characteristic of the ingredients |
| Odor Threshold | Not available.                                |

|                                         |                                  |
|-----------------------------------------|----------------------------------|
| pH                                      | 4.9 - 5.4                        |
| Melting Point                           | Not available.                   |
| Freezing Point                          | Not available.                   |
| Initial Boiling Point and Boiling Range | Not available.                   |
| Flash Point                             | Not available. Aqueous Solution. |
| Evaporation Rate                        | Not available.                   |
| Upper Explosive Limit (UEL)             | Not applicable.                  |
| Lower Explosive Limit (LEL)             | Not applicable.                  |
| Vapor Pressure (mmHg)                   | Not available.                   |
| Specific Gravity (H <sub>2</sub> O = 1) | ---                              |
| Relative Density                        | Not available.                   |
| Vapor Density (Air = 1)                 | Not available.                   |
| Solubility in Water                     | Not applicable.                  |
| Partition Coefficient: n-octanol/water  | Not available.                   |
| Auto-Ignition Temperature               | Not available.                   |
| Decomposition Temperature               | Not available.                   |
| Viscosity                               | Not available.                   |
| VOC (weight %)                          | Not available.                   |

## Section 10: Stability and Reactivity

|                                    |                                                    |
|------------------------------------|----------------------------------------------------|
| Reactivity                         | Not available.                                     |
| Chemical Stability                 | Stable under normal conditions of use and storage. |
| Possibility of Hazardous Reactions | None known.                                        |
| Conditions to Avoid                | None known.                                        |
| Incompatible Materials             |                                                    |
| Industrial Setting                 | None known.                                        |
| Hazardous Decomposition Products   | None known.                                        |

# SAFETY DATA SHEET

## Section 11: Toxicological Information

|                                                  |                                                                            |                                               |
|--------------------------------------------------|----------------------------------------------------------------------------|-----------------------------------------------|
| Potential Route(s) of Exposure                   | Eyes. Skin. Ingestion.                                                     |                                               |

1LD50 acute oral toxicity (rat) – This is a value provided by the raw material supplier or scientific literature. It is not a value generated by Seventh Generation by testing using rats. Seventh Generation uses alternative, non-animal based methods and scientific literature to determine the safety classification of our products and their ingredients.

## Section 12: Ecological Information

|                               |                                                                                                        |
|-------------------------------|--------------------------------------------------------------------------------------------------------|
| Ecotoxicity                   | Not available.                                                                                         |
| Persistence and Degradability | This product is customarily disposed via the landfill where conditions for biodegradation are not met. |
| Bioaccumulative Potential     | No known significant effects or critical hazards.                                                      |
| Mobility in Soil              | Not available.                                                                                         |
| Environmental Fate            | No adverse effects expected.                                                                           |

## Section 13: Disposal Considerations

|               |                                                                                                               |
|---------------|---------------------------------------------------------------------------------------------------------------|
| Product Waste | Any disposal must be in compliance with applicable local, state, provincial and federal laws and regulations. |
|---------------|---------------------------------------------------------------------------------------------------------------|

# SAFETY DATA SHEET

|                                         |                                                                                                                                                                                                                                                                                                                                       |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Industrial Setting</b>               | When disposed as waste in its original form, this product is not considered hazardous waste under Federal regulations, however regulations may vary by state or province and may designate it as hazardous waste. Check with your local waste and waste water authorities. We are aware of the following state waste classifications: |
| <b>Connecticut Hazardous Waste Code</b> | CT04                                                                                                                                                                                                                                                                                                                                  |
| <b>Other States</b>                     | Any disposal must be in compliance with applicable local, state, provincial and federal laws and regulations.                                                                                                                                                                                                                         |
| <b>Empty Packaging</b>                  | Offer empty container for recycling. If recycling is not available, discard in trash.                                                                                                                                                                                                                                                 |

## Section 14: Transport Information

|                                         |                                                                                                                                                                           |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>U.S. DOT</b>                         | Not regulated.                                                                                                                                                            |
| <b>U.S. States</b>                      | See U.S. DOT for finished product classification for transport.                                                                                                           |
| <b>Waste</b>                            | Regulated in some states if the product is disposed of in its original form as waste by commercial users/handlers. Refer to Section 13. for applicable state waste codes. |
| <b>Canadian TDG (Surface Transport)</b> | Not regulated.                                                                                                                                                            |
| <b>IMDG (Marine Transport)</b>          | Not regulated.                                                                                                                                                            |
| <b>IATA (Air Transport)</b>             | Not regulated.                                                                                                                                                            |

## Section 15: Regulatory Information

|                                               |                |                                                                                                                                                                                                                           |                  |
