

# SAFETY DATA SHEET

Issue date 9 May 2023

FM000065-01.8-10

This Safety Data Sheet (SDS) has been prepared in accordance with the U.S. OSHA Hazard Communication Standard (29 CFR 1910.1200) to provide safe handling information for the industrial setting such as in manufacturing facilities, transport, warehouses, stores and professional settings where product is used for institutional and commercial purposes. This SDS is designed to cover both U.S. and Canada, differences between U.S. and Canadian requirements are noted where applicable.

Consumer Products as defined by the U.S. Consumer Product Safety Act and Federal Hazardous Substances Act and which are used for the intended purpose in the household setting or in a workplace setting with typical consumer duration and frequency are exempted from the U.S. OSHA Hazard Communication Standard (29 CFR 1910.1200).

## Section 1: Identification of Product and Company

|                     |   |
|---------------------|---|
| Product Name        | Power+ Laundry Detergent - Fragrance Free |
| Synonyms            | Laundry Detergent                         |
| Product Use         | Laundry                                   |
| Restrictions on Use | Follow directions on the product label    |

|                   |   |
|-------------------|---|
| Manufacturer Name | Seventh Generation, Inc.                  |
| Address           | 60 Lake Street, Burlington, VT 05401, USA |

|  |                          |
|--|--------------------------|
| Emergency Telephone Number                       | U.S., Canada             |
| Monday - Friday 8 am - 5 pm ET (except holidays) | 1-800-211-4279           |
| Outside these hours                              | 1-800-255-3924 (ChemTel) |

## Section 2: Hazards Identification

|                |  |
|----------------|--|
| Classification |  |
| U.S.           | This product is considered hazardous under the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200). |
| Canada         | This product is considered hazardous under the WHMIS 2015.   |

|                       |             |
|-----------------------|-------------|
| Hazard Category       |             |
| Eye Damage/Irritation | Category 2B |

|             |  |
|-------------|--|
| Signal Word |  |
| WARNING     |  |

|                            |  |
|----------------------------|--|
| Hazard Statement(s)        |  |
| H320 Causes eye irritation |  |

|                     |  |
|---------------------|--|
| Hazard Pictogram(s) |  |
| None                |  |

|   |  |
|---|--|
| Precautionary Statement(s) - General  |  |
| If medical advice is needed, have product container or label at hand.<br>Keep out of reach of children.<br>Read label before use. |  |

# SAFETY DATA SHEET

| Precautionary Statement(s) - Prevention |                                       |
|---|---------------------------------------|
|   | Wash hands thoroughly after handling. |

| Precautionary Statement(s) - Response |   |
|---------------------------------------|---|
|                                       | If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.<br>If eye irritation persists: Get medical advice/attention. |

| Precautionary Statement(s) - Storage |      |
|--------------------------------------|------|
|                                      | None |

| Precautionary Statement(s) - Disposal |      |
|---------------------------------------|------|
|                                       | None |

| Hazards not otherwise identified |            |
|----------------------------------|------------|
|                                  | None known |

| Percent ingredients with unknown acute toxicity |  |
|---|--|
|   | 0% of the product consists of ingredients of unknown acute oral toxicity. Refer to Section 11. |

## Section 3: Composition, Information on Ingredients

Regardless of hazard classification, Seventh Generation discloses all intentionally added ingredients and, if applicable, incidental ingredients.

| Ingredient                       | Function              | CAS Number <sup>1</sup> | Concentration <sup>1</sup> |
|----------------------------------|-----------------------|-------------------------|----------------------------|
| aqua (water)                     | diluent               | 7732-18-5               | 80% - 100%                 |
| laureth-6                        | cleaning agent        | 68439-50-9              | 3% to 7%                   |
| sodium citrate                   | water softener        | 68-04-2 / 6132-04-3     | 1% to 5%                   |
| sodium lauryl sulfate            | cleaning agent        | 68585-47-7              | 1% to 5%                   |
| sodium chloride                  | viscosity modifier    | 7647-14-5               | 1% to 5%                   |
| sodium oleate                    | anti-foaming agent    | 143-19-1                | 0.5% to 1.5%               |
| citric acid                      | pH adjuster           | 77-92-9                 | <0.1%                      |
| protease (subtilisin) (aep)      | enzyme cleaning agent | 9014-01-1               | <0.1%                      |
| pectinase (aep)                  | enzyme cleaning agent | 9015-75-2               | <0.1%                      |
| amylase (aep)                    | enzyme cleaning agent | 9000-90-2               | <0.1%                      |
| mannanase (aep)                  | enzyme cleaning agent | 37288-54-3              | <0.1%                      |
| benzisothiazolinone              | preservative          | 2634-33-5               | <0.01%                     |
| methylisothiazolinone            | preservative          | 2682-20-4               | <0.01%                     |
| May contain: (see product label) |                       |                         |                            |
| calcium chloride                 | enzyme stabilizer     | 10043-52-4              | <0.1%                      |

<sup>1</sup> Where ranges are shown, the exact concentration has been withheld as a trade secret. Where WITHHELD is shown, the CAS number has been withheld as a trade secret.

## Section 4: First Aid Measures

|              |  |
|--------------|--|
| Eye Contact  | Flush eyes with water immediately after contact. Contact a physician if irritation develops or persists. |
| Skin Contact | Rinse thoroughly with water. Call a physician if irritation or rash develops or persists.                |

# SAFETY DATA SHEET

|                                     |  |
|-------------------------------------|--|
| Ingestion                           | Drink one glass of water or milk immediately. If prolonged nausea or pain occurs call a doctor.                      |
| Inhalation                          | If irritation occurs, remove to fresh air. If breathing is affected, call a physician.                               |
| Notes to Physician                  | Treat symptomatically.   |
| Most important symptoms and effects | Acute exposure may result in eye irritation. Symptoms of acute exposure may include the following: redness and pain. |

## Section 5: Fire Fighting Measures

|   |  |
|---|--|
| Suitable Extinguishing Media                          | As appropriate for surrounding fire. Use water, dry chemical, carbon dioxide or foam.                              |
| Unsuitable Extinguishing Media                        | Not available.   |
| Specific Hazards arising from the chemical mixture    | Not available.   |
| Hazardous Combustion Products                         | Not available.   |
| Protective Equipment and Precautions for Firefighters | Fire fighters should wear full protective clothing and self contained breathing apparatus as for surrounding fire. |

## Section 6: Accidental Release Measures

|   |   |
|---|---|
| Personal Precautions                    |   |
| Industrial Setting                      | Wear appropriate personal protective equipment (refer to Section 8).  |
| Environmental Precautions               | Avoid entry into lakes, streams, ponds or public waterways.   |
| Methods for Containment and Cleaning Up |   |
| Industrial Setting                      | Before attempting clean up, refer to hazard data given. Material may be slippery if spilled and wet. Prevent spill from entering a waterway. Stop spill at source and contain material. Dispose liquid in accordance with all applicable local, state, and federal regulations. |

## Section 7: Handling and Storage

|                           |  |
|---------------------------|--|
| Safe Handling             |  |
| Industrial Setting        | Wear appropriate personal protective equipment (refer to section 8).   |
| Safe Storage              | KEEP OUT OF REACH OF CHILDREN AND PETS.                                |
|                           | Store in original container and keep container closed when not in use. |
| Storage Incompatibilities | Avoid freezing.  |
|                           | None known.  |

## Section 8: Exposure Controls, Personal Protection

|                             |            |   |
|-----------------------------|------------|---|
| Exposure Limits             |            | Occupational exposure limits  |
| Component Information:      |            |   |
| protease (subtilisin) (aep) | 9014-01-1  | ACGIH<br>- TLV - 0.00006 mg/m3 Ceiling<br>AOEC<br>- Asthmagens - Sensitizer (324.010)<br>NIOSH<br>- 0.00006 mg/m3 STEL (60 min)<br>CA, CT, HI, MI, MN, NY, TN, WA<br>- OEL/PEL - 0.00006 mg/m3 STEL (60 min)<br>AB, BC, MB, NB, NL, NT, NS, NU, ON, PE, QC, SK, YT<br>- OEL - 0.00006 mg/m3 Ceiling |
| amylase (aep)               | 9000-90-2  | AOEC<br>- Asthmagens - Sensitizer (324.17)  |
| calcium chloride            | 10043-52-4 | Ontario<br>- OEL - 5 mg/m3 TWA  |
| .                           | .          | .   |

# SAFETY DATA SHEET

|                                     |  |
|-------------------------------------|--|
| Engineering Controls                | General ventilation.   |
| Personal Protective Equipment (PPE) |  |
| Industrial Setting                  |  |
| Respiratory Protection              | None required under normal conditions. General ventilation required.   |
| Eye Protection                      | Goggles or other protective eye wear may be worn for protection.       |
| Skin Protection                     | Gloves may be worn for protection.                                     |
| Hygiene Measures                    | Handle in accordance with good industrial hygiene and safety practice. |

## Section 9: Physical and Chemical Properties

|                |   |
|----------------|---|
| Physical State | Liquid.   |
| Color          | Light amber                                     |
| Clarity        | Clear   |
| Odor           | Unfragranced. Characteristic of the ingredients |
| Odor Threshold | Not available.                                  |

|   |                                  |
|---|----------------------------------|
| pH                                      | 8.5 - 8.9                        |
| Melting Point                           | Not available.                   |
| Freezing Point                          | Not available.                   |
| Initial Boiling Point and Boiling Range | Not available.                   |
| Flash Point                             | Not available. Aqueous Solution. |
| Evaporation Rate                        | Not available.                   |
| Upper Explosive Limit (UEL)             | Not applicable.                  |
| Lower Explosive Limit (LEL)             | Not applicable.                  |
| Vapor Pressure (mmHg)                   | Not available.                   |
| Specific Gravity (H <sub>2</sub> O = 1) | 1.025 - 1.048                    |
| Relative Density                        | Not available.                   |
| Vapor Density (Air = 1)                 | Not available.                   |
| Solubility in Water                     | Miscible                         |
| Partition Coefficient: n-octanol/water  | Not available.                   |
| Auto-Ignition Temperature               | Not available.                   |
| Decomposition Temperature               | Not available.                   |
| Viscosity                               | Not available.                   |
| VOC (weight %)                          | Not available.                   |

## Section 10: Stability and Reactivity

|                                    |  |
|------------------------------------|--|
| Reactivity                         | Not available.                                     |
| Chemical Stability                 | Stable under normal conditions of use and storage. |
| Possibility of Hazardous Reactions | None known.  |
| Conditions to Avoid                | None known.  |
| Incompatible Materials             |  |
| Industrial Setting                 | None known.  |
| Hazardous Decomposition Products   | None known.  |

## Section 11: Toxicological Information

|                                      |  |
|--------------------------------------|--|
| Potential Route(s) of Exposure       | Eyes. Skin. Ingestion.                                 |
| Effects of Acute Exposure            |  |
| Oral Toxicity                        | LD50 >5000 mg/kg, calculated based on ingredients.     |
| Dermal Toxicity                      | Not classified. No known effects based on ingredients. |
| Inhalation Toxicity                  | Not classified. No known effects based on ingredients. |
| Component Information <sup>1</sup> : |  |

# SAFETY DATA SHEET

|   |  |                                   |
|---|--|-----------------------------------|
| aqua (water)  | 7732-18-5  | Not applicable                    |

| protease (subtilisin) (aep)                             | 9014-01-1  | LD50 acute oral (rat) 1800 mg/kg  |
| pectinase (aep)   | 9015-75-2  | LD50 acute oral (rat) >2000 mg/kg |
| amylase (aep)   | 9000-90-2  | LD50 acute oral (rat) >7500 mg/kg |
| mannanase (aep)   | 37288-54-3   | LD50 acute oral (rat) >5000 mg/kg |
| benzisothiazolinone                                     | 2634-33-5  | LD50 acute oral (rat) 1020 mg/kg  |
| methylisothiazolinone                                   | 2682-20-4  | LD50 acute oral (rat) 120 mg/kg   |
| calcium chloride  | 10043-52-4   | LD50 acute oral (rat) >2000 mg/kg |
| .   | .  | .                                 |
| <b>Eye Contact</b>                                      | Mild Irritant, based on in-vitro data.   |                                   |
| <b>Skin Contact</b>                                     | Not classified for skin irritation, based on ingredients. Possible irritation from prolonged contact with the undiluted product. |                                   |
| <b>Skin Sensitization</b>                               | Not classified for skin sensitization, based on ingredients.   |                                   |
| <b>Respiratory Sensitization</b>                        | Not classified for respiratory sensitization, based on ingredients.  |                                   |
| <b>Carcinogenicity</b>                                  | Not classified - based on ingredients  |                                   |
| <b>NTP</b>  | No Ingredients Listed  |                                   |
| <b>IARC</b>   | No Ingredients Listed  |                                   |
| <b>OSHA</b>   | No Ingredients Listed  |                                   |
| <b>Reproductive Effects</b>                             | Not classified - based on ingredients  |                                   |
| <b>Mutagenicity</b>                                     | Not classified - based on ingredients  |                                   |
| <b>Specific Target Organ Toxicity - Single Exposure</b> | Not classified - based on ingredients  |                                   |
| <b>Specific Target Organ Toxicity - Repeat Exposure</b> | Not classified - based on ingredients  |                                   |
| <b>Aspiration Toxicity</b>                              | Not classified - based on ingredients  |                                   |

1LD50 acute oral toxicity (rat) – This is a value provided by the raw material supplier or scientific literature. It is not a value generated by Seventh Generation by testing using rats. Seventh Generation uses alternative, non-animal based methods and scientific literature to determine the safety classification of our products and their ingredients.

## Section 12: Ecological Information

|                                      |   |
|--------------------------------------|---|
| <b>Ecotoxicity</b>                   | Not available.                                    |
| <b>Persistence and Degradability</b> | Biodegradable, based on ingredients.              |
| <b>Bioaccumulative Potential</b>     | No known significant effects or critical hazards. |
| <b>Mobility in Soil</b>              | Not available.                                    |
| <b>Environmental Fate</b>            | No adverse effects expected.                      |

## Section 13: Disposal Considerations

|   |   |
|---|---|
| <b>Product Waste</b>                    | Any disposal must be in compliance with applicable local, state, provincial and federal laws and regulations.   |
| <b>Industrial Setting</b>               | When disposed as waste in its original form, this product is not considered hazardous waste under Federal regulations, however regulations may vary by state or province and may designate it as hazardous waste. Check with your local waste and waste water authorities. We are aware of the following state waste classifications: |
| <b>California Hazardous Waste Code</b>  | 561   |
| <b>Connecticut Hazardous Waste Code</b> | CT04  |

# SAFETY DATA SHEET

|                                 |   |
|---------------------------------|---|
| Michigan Liquid Waste Code      | MILIB   |
| Washington Hazardous Waste Code | WT02  |
| Other States                    | Any disposal must be in compliance with applicable local, state, provincial and federal laws and regulations. |
| Empty Packaging                 | Offer empty container for recycling. If recycling is not available, discard in trash.                         |

## Section 14: Transport Information

|                                  |   |
|----------------------------------|---|
| U.S. DOT                         | Not regulated.  |
| U.S. States                      | See U.S. DOT for finished product classification for transport.   |
| Waste                            | Regulated in some states if the product is disposed of in its original form as waste by commercial users/handlers. Refer to Section 13. for applicable state waste codes. |
| Canadian TDG (Surface Transport) | Not regulated.  |
| IMDG (Marine Transport)          | Not regulated.  |
| IATA (Air Transport)             | Not regulated.  |

## Section 15: Regulatory Information

|                                       |  |
|---------------------------------------|--|
| U.S.                                  |  |
| Toxic Substances Control Act (TSCA)   | This product complies with the inventory requirements of the U.S. Toxic Substances Control Act (TSCA).   |
| California Prop 65                    | This product is not subject to the labeling requirements of California's Proposition 65.   |
| California Air Resources Board (CARB) | Not applicable.  |
| Canada                                |  |
| Domestic Substances List (DSL)        | This product complies with the inventory requirements under Canada's Domestic Substances List (DSL) or Non-Domestic Substances List (NDSL).  |
| Right to Know                         | Regardless of hazard classification, all intentionally added ingredients and, if applicable incidental ingredients $\geq 1\%$ are disclosed on the product label. Please refer to Section 3. of this SDS for ingredient listing. |
| Component Information:                |  |
|                                       |  |

## Section 16: Other Information

|  |                            |   |          |
