Made with good natured TFF02000 bio-based material , per ASTM D6866 testing .

Per ASTM D6400 , this product is compostable in a commercial facility where such facilities exist .

Our eco-friendly plant -based food containers keep your small greens fresh . This clamshell packaging features a unique hanging hook for easy retail display .

Why We Love It:

Crystal Clear for Big Visual Appeal : Showcase your herbs and microgreens in this clear, compact package that lets customers see the quality of your greens in full view . A chic solution for modest quantities , our 0.5 oz herb containers combine environmental responsibility with great functionality , making them an ideal choice for showcasing your petite greens .

Freshness on a Small Scale: Seal in the freshness with a full interlocking perimeter closure . Designed to keep your herbs in just-picked condition , this package keeps the freshness locked in from farm to table . The resealable feature allows your customers to enjoy lasting freshness in their fridge for longer by keeping the air out .

Small and Mighty : Don’t underestimate its compact size—our herb packaging is built to protect . With a crush-resistant structure , it’s perfectly suited for protecting delicate herbs during transport and on display at retail locations . The innovative quick-release hanging feature enhances accessibility and ensures that even the most eager customer can pick their preferred pack without disrupting your display .

Sustainable and Stylish: Choose packaging that aligns with your brand's eco-conscious values . Made from renewable resources and no nasty chemicals , our plant -based packaging delivers a sustainable solution that resonates with today’s consumers and their commitment to caring for the environment .

You Can Choose Freshness AND Sustainability : With our herb and microgreen packaging [collection](#) , you’ll be all set to preserve the quality and freshness of your greens and also embrace a packaging choice that’s made with the planet in mind . Holy moly , that’s mint !
