Made with good natured TFF02000 bio-based material , per ASTM D6866 testing .

Per ASTM D6400 , this product is BPI and CMA certified compostable in a commercial compost facility where such facilities exist .

This eco-friendly clamshell packaging is great for herbs and microgreens . Our plant -based herb packaging features a unique hanging hook for easy retail display .

Why We Love It:

Perfect Clarity, Pristinely Presented: Display your herbs in our crystal -clear package that allows customers to see the great quality of your greens at a glance . The transparency of this container boosts the visual appeal of your products and is poised to be your new best friend for keeping your herbs fresh and fabulous . Ø<Økß

Peak Freshness in a Resealable Package: Our precise interlocking perimeter seal will secure your delicate herbs in a snap! This helps maintain your herbs and microgreens at peak freshness and flavor , from your farm to your customers ’ kitchen . Plus, your customers can seal and re-seal the package to keep your herbs fresh in their fridge for longer .

Durable and Display-Ready: Don’t be fooled by its delicate appearance—this package can handle a tumble without crushing your precious produce . The crush-resistant design makes it ideal for safeguarding fragile herbs during transit and retail display . Equipped with a quick release hanging feature , it allows for easy access for a peg hook setup , meaning that customer (yeah, we all know one!) who simply has to take the one from the back can do so without destroying your whole display ! Ø=ÞL

Sustainable and Stylish: Choose packaging that aligns with your brand's eco-conscious values . Made from renewable resources and no nasty chemicals , our plant -based packaging delivers a sustainable solution that resonates with today’s consumers and their commitment to caring for the environment .

Embrace Freshness AND Sustainability : With our herb and microgreen packaging [collection](#) , you’ll be set to preserve the quality and freshness of your greens and also embrace a packaging choice that’s made with the planet in mind . Now's the time to ramp up your green game – let’s get growing ! Holy schnokers , that was a lot of dad jokes in one sentence ...
