For GN Food Pans

Model 240MPC

Features & Benefits

- Rugged and dependable, these Camcarriers provide an exact fit for GN 1/2 Size Food Pans.
- GN 1/2 Size Food Pan capacity:
Model 240MPC - 1 each 2½" (6,5 cm) or 4" (10 cm) deep
- One-piece seamless, double-wall, high-density polyethylene construction is durable, lightweight and dishwasher safe. Textured exterior is scratch resistant.
- Foamed-in polyethylene insulation and an airtight gasket helps to ensure excellent food temperature retention, hot or cold.
- Recessed vent cap located on the top is easily opened to help equalize pressure and release steam.
- Four each recessed plastic latches secure the lid tightly and will not rust or corrode and are protected from damage during use.
- Molded-in rim on all sides provides a comfortable grip for easy transporting.
- Securely stacks easily for more efficient transportation and storage.
- Optional Camdollies® provide easy transporting.
- Non-electrical.
- No assembly required.
- Available in 8 colors. Color variety offers quick food content identification and inventory control at-a-glance.
