Description

Achieve a modern look without sacrificing practicality. Eight flat sides allow for 360-degree customized labelling options. The Octo is the perfect container for large public spaces both indoor and outdoor with a sleek, yet functional and durable design.

Features

STRONG AND LONG LASTING - A Single stream modular container that is ideal for both indoor and outdoor public spaces. It's Weighted base capability keeps the container in place making it ideal for outdoor use.

EASY TO MAINTAIN - Liner can be easily removed for servicing and cleaning, with a sloped lid design that helps keep precipitation out and discourages users from leaving items on top

LIMITLESS OPTIONS TO MAKE IT YOUR OWN - Eight-sided design allows for ample signage and labeling options with optional colored face plates to communicate stream differentiation. The Octo unique lid also allows the option for customized colors and labelling to increase your diversion rate.
