

HOT WATER DISPENSER

HWB 2100 Series

HWB-2110 Touchscreen

10 Gallon

The **HWB-2100** series combines the simplicity of a traditional style pull faucet with the modern convenience of a touchscreen interface. The touchscreen allows for easy access to temperature controls, dispense metrics and diagnostics while the simple screen layout makes it easy for staff to understand and operate.

Touchscreen interface for easy access to temperature controls, metrics and diagnostic screens.

Exclusive FETCO HWB Pull Faucet Design with soft silicone tap helps protect glass and ceramic serveware against damage.

The interior top and sides of the unit are fully insulated to maximize heat retention and improve efficiency.

Mixed material construction is durable for the rigors of back-of-house yet attractive enough for front-of-house.
