Free Standing Dual Lamps

Description: Dual heat lamp fixtures mounted on a 9" solid or antique base or 12" solid or antique base. Free standing single lamp models can also be used with these bases.. Brass surfaces have a clear baked enamel finish. All internal components including lamp sockets and wiring are high temperature rated (200°C). Lamp body and fittings constructed of solid brass. Switch is rated for 15 amps @ 120 volts. Power cord exits through side of upright.
