SUPER ERECTA SHELF® MW UTILITY CARTS — Three-Shelf Models

- **Attractive** and thoroughly practical, these carts are offered as complete units, shipped knocked down, with all components packaged in a compact carton.
- **Super Erecta Shelf® Construction** makes units easy to assemble with absolute rigidity, and makes relocation of shelves quick and simple.
- **Choice of 20 Three-Shelf Models:**
 - MW200 Series** — Three stainless steel flat shelves. Five sizes. Stainless steel handles.
 - MW400 Series** — Two chrome wire shelves and one stainless steel flat shelf. Five sizes. Chrome handles. Solid shelf can be positioned top, middle or bottom.
 - MW700 Series** — Three wire shelves, choice of chrome or stainless steel. Five sizes; ten models. Handle material matches shelves.
- **Wire Shelves:** Bright, modern, sanitary appearance. Open construction minimizes dust accumulation, maximizes visibility and air circulation.
- **Solid Shelves:** Ideal for transporting materials that require an expanse of flat surface. Raised ship's edge permits fast clean-up in case of liquid spills. Double thickness of 18-gauge steel at edges also gives rigidity and high strength.
- **Casters:** Standard-duty, 4LD 4" (102mm) diameter casters on carts 18" (457mm) wide; 5LD 5" (127mm) diameter casters on carts 21" (533mm) and 24" (610mm) wide. See sheet #11.20 for additional information on casters.
- **Donut Bumpers**
- **One-Piece Handle**
- **Height:** 38" (965mm) floor to handle with 4" (102mm) casters; 39" (991mm) floor to handle with 5" (127mm) casters.
- **Replaceable Parts:** If any part of any cart is damaged by use, replacement parts are readily available and easily installed.
- **Accessories:** A wide variety are available to increase usefulness. See Catalog Sheets 10.04 and 10.05 for wire shelf accessories, 10.25 for solid shelf accessories.
