

Always in Reach Never Lost

The COOL-BAK™ by KEY-BAK™ is our new Industrial-Grade Outdoor Gear Tether with a Professional Bottle Opener and Towel Gripper Clip that is the ultimate companion for your hard or soft cooler. It is attached with a 1.25" radius hook and loop strap that is perfect for cooler handles, MOLLE systems, grill handles, beach chairs, backpacks, etc. Compatible with other end-fittings from the QUIK-CONNECT™ line of retractors.

**Be the ultimate host and
always have a bottle opener
and towel in reach!**
