A Nemco display case will warm it, store it and sell it! Ideal for holding and displaying a variety of assorted foods. These multi-purpose counter top units are available in two convenient sizes with single or self-serve access.

Three shelves enhance presentation and a perforated stainless steel bottom allows crumbs to fall into a removable tray for easy cleaning. Choose from three different models that offer just the right features to suit your needs.

Standard Features:

- Constructed of brushed stainless steel and tempered glass
- Sliding tempered glass door
- Three removable shelves
- Holding temperature range of 100-200° Fahrenheit
- Thermometer gauge in Fahrenheit and Celsius
- Metal sheath elements located in base unit
- Equipped with on/off indicator light
- Temperature control knob
- Adjustable four inch legs
- Six foot cord and plug provided
- One year parts and labor warranty

Additional Features of Selected models:

- Illuminated case with two 25 watt bulbs (6460)
- Illuminated case with one 25 watt fluorescent lamp (6462)
- Water reservoir for humidity
