

COMPACT SCRUBBER 13

Battery-Powered

Item# PS030-W14-UG

2 Gal Solution and
3 Gal Recovery

13" Brush and 18"
Squeegee

Theoretical
9,742 Sq Ft/Hr

180 RPM

64

lbs Brush Pressure

Power-Flite®

COMPACT SIZE WITH BIG IMPACT ON MULTIPLE FLOOR TYPES.

EASY TO USE

Just a few buttons control the high-performance 300W brush motor, 400W vac motor, and solution for reliable results for first-time users and pros alike.

SCRUB ANYWHERE

With a height adjustable handle and low profile, you can easily scrub under and around tables and other obstacles- only 16" from floor to the top of the solution tank.

NOTHING LEFT BEHIND

Strong vacuum paired with parabolic squeegee system keeps solution contained within the cleaning path and instantly recovered- even around 180 degree turns.

PROFESSIONAL CHOICE

Made with the operator in mind, this scrubber is comfortable to operate and easy to maintain. The battery and motor are easy to access.

EFFICIENT IN ALL AREAS

13" cleaning path fits easily down narrow, crowded aisles and low profile with multi-position handle allows the machine to get under counters, tables, and desks.

COMPACT STORAGE

The recovery tank can be set aside and the adjustable handle tucked in for tight storage. Designed to sit on its back for the most compact storage.

MINIMAL TRAINING

Easy to read control panel with the added function to adjust moisture-level. Touchpoints (like cap lids or height adjustment levers) are orange for easy access to the user.

VERSATILE

Use with any 13" brush or pad with pad driver to use on a variety of floor types. Ships with orange scrub brush installed on machine. Pad driver and red cleaning pad included.

LOW EFFORT MAINTENANCE

Built-in drain hose for effortless disposal, and the recovery tank lifts off for easier clean-up, so you can properly store away when the job is done.
