## The cleanroom solution with industrial performance

The GM80 range is a globally recognized industry icon, used whenever high efficiency and high performance is required, but a small form factor is a must.

The GM80CR's sturdy aluminum container means that the vacuum cleaner is almost indestructible and therefore especially suitable for rough and heavy duty cleaning. Its strong steel trolley and top-mounted grab handle optimize its portability and maneuverability. The GM80CR is essential equipment to have in medical labs, pharmaceutical or chemical production areas and and most cleanroom work areas.

The unique multi-stage filtration system allows for adaption to special applications where high filtration level, low emission and quiet operation is required.

- · Standard ULPA filtration
- · 30 foot power cord.
- · Compact and easily stored
- · Quiet operation
- Lightweight
- · Easy to use and service
- · Wide variety of filters and bags
- · Versatile range of accessories

## Standard equipment

Included accessories Ref. no. Min. required			GM 80 110-120V US ULPA	
Filter				
	FILTER COTTON GS/GM 80	61543000	1	•
T	MOTOR PROTECTION FILTER	11730410	1	•
Dust Bag and Filter				
0	DUST BAG FLEECE GM 80P 5 PCS	107418525	1	•

Model GM 80 110-120V US ULPA

Ref. no. 905 6302 010

## PRODUCT FEATURES

Sack filter	•
Trolley	•
Single-phase	•
Fleece filter bag	•
Downstream ulpa filtration	•
Ergonomic handle	•
Csa listed for us and canada	•
