

KeyGarage™ 737 Mini with shackle

Seite 1 von 2

UP TO EIGHT KEYS

Need a simple and secure way to provide access to your vacation guests or mobile care services?

The KeyGarage™ Mini 737 with its shackle allows you to securely transfer up to eight keys to different groups of people. Whether you're renting out your property or require care services, this key box offers convenient access without the need for physical keys. Just share the four-digit numerical code, which can be easily changed for the next user. The robust metal housing and protective plastic cover ensure durability and protection against the elements. Easily attach it to a doorknob for quick and hassle-free key sharing.

Technologies

- Solid metal housing
- Locking cover made from zinc die-cast with plastic dials
- Individually resettable code (4-digit)
- Plastic cover protects against moisture and dirt
- Fixing with shackle, e.g. on door knob
- Solid metal housing provides excellent security
- Outer dimensions of housing: 95 x 62 x 38
- Housing and shackle plastic coated (protects door from scratching)

Use and application

- Ideal for the mobile storage of e.g. keys and smaller valuables
- Quick and easy access for frequently changing groups of persons (craftsmen, service, holiday guests, apartment

KeyGarage™ 737 Mini with shackle

buildings, car rentals)

- Defining access by setting and passing on the code
