MARKETING

The Flame Free™ Thermo-Urn™ in Metallic Elements Black Onyx with Modern Legs and a Domed Lid delivers a striking, contemporary aesthetic with unmatched insulation performance, making it ideal for luxury hotels, executive meetings, and upscale catering. The 3-gallon capacity supports high-volume service, while stainless vacuum insulation keeps beverages hot and fresh for over 6 hours without requiring external heat. The NSF-listed polished stainless steel spigot ensures smooth, mess-free dispensing, while the brew plate minimizes splashing, keeping the station neat. The PVD-coated Black Onyx finish provides a sleek, high-end appearance, resistant to smudges and daily wear. The high-polished zinc-plated Modern...
