MARKETING

The Flame Free™ Thermo-Urn™ in Polished Stainless with Modern Legs and a Classic Lid brings timeless style with superior insulation, making it a premium choice for luxury buffets, fine dining establishments, and high-end catering. With a 5-gallon capacity, this urn ensures ample beverage service, while stainless vacuum insulation keeps drinks hot and fresh for over 6 hours without requiring an external heat source. The NSF-listed polished stainless steel spigot provides controlled, mess-free dispensing, while the brew plate minimizes splashes, maintaining a clean and professional beverage station. The polished stainless steel finish resists fingerprints and maintains a sleek, high-end appearance, while the high-polishe...
