

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity supports large-scale beverage service with a refined, modern look. Stainless vacuum insulation keeps drinks hot and fresh for over 6 hours. NSF-listed polished stainless steel spigot ensures smooth, controlled pouring. Brew plate minimizes splashes and drips, keeping service areas pristine. Powder-coated white stainless steel finish offers a clean, elegant, an...

MARKETING

The Flame Free™ Thermo-Urn™ in Powder-Coated White with Modern Legs and a Domed Lid brings a fresh, clean aesthetic with high-performance insulation, making it a sophisticated choice for fine dining, upscale catering, and premium hospitality. The 3-gallon capacity ensures ample beverage service, while stainless vacuum insulation keeps drinks hot and flavorful for over 6 hours without the need for external heat sources. The NSF-listed polished stainless steel spigot provides controlled, mess-free dispensing, and the brew plate minimizes splashing, maintaining a polished, professional service station. The durable powder-coated white stainless steel finish resists scratches, fingerprints, and wea...
