

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity ensures efficient beverage service in high-volume hospitality settings. Stainless vacuum insulation maintains heat and freshness for over 6 hours. NSF-listed polished stainless steel spigot delivers smooth, mess-free pouring. Brew plate minimizes splashes and drips, keeping stations polished and professional. Powder-coated black stainless steel finish offers a...

MARKETING

The Flame Free™ Thermo-Urn™ in Powder-Coated Black with Modern Legs and a Domed Lid offers a sleek, matte black finish paired with high-performance insulation, making it an excellent choice for luxury hospitality, corporate catering, and fine dining establishments. The 3-gallon capacity allows for large-scale beverage service, while stainless vacuum insulation keeps coffee and tea hot for over 6 hours without external heat. The NSF-listed polished stainless steel spigot ensures smooth, controlled dispensing, while the brew plate minimizes splashing, maintaining a polished and professional station. The durable powder-coated black finish resists scratches, fingerprints, and daily wear, while the high-polished zinc-plat...
