

- Flame Free™ Thermo-Urn™ 5-Gallon Vacuum Insulated Urn with ...

5-gallon capacity ensures extended beverage service in upscale venues. Stainless vacuum insulation preserves heat and beverage quality for over 6 hours. NSF-listed polished stainless steel spigot provides smooth, mess-free dispensing. Brew plate minimizes splashing, keeping beverage stations polished and professional. PVD-coated Black Onyx stainless steel finish adds a bold, re...

MARKETING

The Flame Free™ Thermo-Urn™ in Metallic Elements Black Onyx with Modern Legs and a Domed Lid delivers bold elegance with high-performance insulation, making it an exceptional choice for high-end catering, executive hospitality, and luxury buffets. The 5-gallon capacity supports long-lasting beverage service, while stainless vacuum insulation keeps drinks hot and fresh for over 6 hours. The NSF-listed polished stainless steel spigot allows for smooth, controlled dispensing, while the brew plate minimizes splashing, ensuring a polished and professional setup. The PVD-coated Black Onyx finish offers a striking, smudge-resistant aesthetic, while the high-polished zinc-plated Modern Legs provide a sleek and stable fou...
