

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity supports high-volume beverage service in upscale venues. Stainless vacuum insulation keeps drinks hot and fresh for over 6 hours. NSF-listed polished stainless steel spigot ensures controlled, mess-free dispensing. Brew plate minimizes splashes and drips, keeping service areas pristine. PVD-coated Vintage Gold stainless steel adds an elegant, sophisticated fin...

MARKETING

The Flame Free™ Thermo-Urn™ in Metallic Elements Vintage Gold with Modern Legs and a Domed Lid is a luxurious yet highly functional solution for upscale beverage service, making it ideal for high-end hotels, formal receptions, and large-scale catering events. The 3-gallon capacity allows for extended beverage service, while stainless vacuum insulation ensures drinks stay hot for over 6 hours without external heat. The NSF-listed polished stainless steel spigot provides smooth, mess-free dispensing, and the brew plate minimizes splashing, maintaining a clean and professional station. The PVD-coated Vintage Gold finish adds a warm, regal touch, resistant to smudges and wear. The high-polished zinc-plated Modern Legs offer stabil...
