

- Flame Free™ Thermo-Urn™ 5-Gallon Vacuum Insulated Urn with ...

5-gallon capacity supports extended beverage service with a bold, refined aesthetic. Stainless vacuum insulation keeps drinks hot and flavorful for over 6 hours. NSF-listed polished stainless steel spigot provides smooth, mess-free dispensing. Brew plate minimizes splashing, ensuring a polished and professional setup. PVD-coated Black Onyx stainless steel finish adds a striking...

MARKETING

The Flame Free™ Thermo-Urn™ in Metallic Elements Black Onyx with Modern Legs and a Classic Lid blends bold refinement with top-tier insulation, making it an excellent option for formal receptions, high-end hospitality, and black-tie events. The 5-gallon capacity supports extended beverage service, while stainless vacuum insulation keeps drinks hot and flavorful for over 6 hours. The NSF-listed polished stainless steel spigot ensures controlled, mess-free pouring, and the brew plate minimizes splashes, keeping service areas clean and professional. The PVD-coated Black Onyx stainless steel finish provides a dramatic, sophisticated look, while the high-polished zinc-plated Modern Legs add a sleek, contempora...
