

Details For Model: WT-2424-LA

Steel Linear Actuated Tilt Table 24 In. x 24 In. 300 Lb. Capacity Blue

The mobile tilting work table is designed to bring work to an ergonomically correct position, helping to foster more comfortable and productive work environment. Working in a comfortable position also reduces fatigue and risk of injuries. The platform height and tilt angle are powered by an electric linear actuator with a hand control. The polyurethane swivel casters (two double locking) allow unit to be transported from one work area to another while loaded.

- Highly maneuverable and flexible product design is ergonomic and user friendly
- Platform height and platform tilt is adjustable to fit best position for user
- Each unit includes four swivel casters (two with total locking brake) for maneuverability
- Welded steel construction provides long lasting use

Dimensions: 24"W x 24"L x 33.5625"H	Sell UOM: EA-Each	Color: Blue
