

STANDARD REFRIGERATED SHORT-SIDE COLD-PAN DROP-INS

AGENCY LISTINGS

WARRANTY

All models shown come with Vollrath's standard warranty against defects in materials and workmanship with an additional four years on the compressor. For full warranty details, please refer to vollrathfoodservice.com.

CLEARANCE AND ENVIRONMENT

- Needed clearance is zero on sides, 3" (7.6 cm) from the condenser air inlet and outlet, and 1.5" (3.8 cm) at the bottom.
- Follow all regulations, warnings, and cautionary guidance specific to products that utilize R290 refrigerant.
- This unit is made for indoor use only.
- At least 80 square inches for both fresh-air intake and exhaust are required. . See back page for details.
- For best performance, prevent drafts and room air currents from passing over the display surface.

Approvals	Date

Due to continued product improvement, please consult vollrathfoodservice.com for current product specifications.

ITEMS

Item	Description	False-Bottom (Perforated) *reduces well depth by 1" (2.5 cm)
FC-4CSP-02120-R	2-Pan	70100 (2)
FC-4CSP-03120-R	3-Pan	70100 (3)
FC-4CSP-04120-R	4-Pan	70100 (4)

FEATURES & BENEFITS

- Flange, fabricated well, and optional false bottoms are 300-series stainless steel.
- Units utilize R290 refrigerant, which has a lower GWP (Global Warming Potential) than many previously-used refrigerants.
- Drop-In is designed for top-mount installation.
- Unit includes under-drip-edge gasket.
- Standard mounting clips are included for easy installation on counters up to 3" (7.6 cm) thick.
- Work surface is flat around opening.
- A full-perimeter drip edge contains spills and condensation within the stainless steel countertop area.
- Deep well accommodates standard 12" x 20" x 6" max depth (30.5 x 50.8 x 15.2 cm) pans when used with adapter bars.
- 1" (2.5 cm) integral drain is standard.
- Refrigeration coils surround exterior side walls of well for maximum cooling.
- Inner well assembly is insulated with foamed-in-place polyurethane for efficiency and performance.
- Condensing unit is suspended below well.
- Exterior housing is 20-gauge galvanized steel.
- Remote on/off switch with 4 ft. (1.2 m) cord, can be mounted to any cabinet side.
- 6 ft (1.5 m) cord with plug is included.
- Drip-free flange can be replaced with flat flange by adding "FF" to item number.

NOTICE: Vollrath® Drop-Ins are made to order and cannot be returned. It is the responsibility of the installer to ensure cut-outs on new installations are correct, or retrofit installation dimensions match with Vollrath product dimensions. Vollrath will not guarantee that our models retrofit with specific competitive models (as competitive specifications can change without notice). We recommend countertop cut-outs be made after receipt of the Vollrath drop-in to ensure proper fit prior to cutting into countertop materials.

NOTICE: Do NOT modify the cord or plug. Modification may damage the drop-in or cause injury, and will void the warranty.
