Notes & Details

Elevate your chafer and buffet presentation with this Acopa Manchester 6 qt. round chafer stand with fuel holder! This chafer stand is compatible with the Acopa Manchester 6 qt. round induction chafer (sold separately). Put them together to create an elegant table presentation that is sure to entice customers to try your signature dishes at your next event. This stand is constructed of heavy-duty stainless steel that ensures it's durable and perfect for holding heavy dishes like casseroles or pastas.

An included fuel holder makes setting up a breeze, too. Simply place a fuel canister (sold separately) into the holder and keep dishes at the perfect warm temperature for guests to enjoy. This stand is sure to upgrade any table or buffet appearance, so it's perfect for weddings, parties, and other catered events where style and presentation matter most.
