

## ADVANTAGE 1D MAPLE

It's all about more with our Advantage 1D self-contained, portable, hot water, handwashing sinks. This NSF-certified, out-of-the-box ready model seriously ups your handwashing code compliance status with its extra counter space, two lockable storage compartments, and a third that hides away your quick-connect water tanks.

Black laminate countertops start this portable sink off strong, boasting a clean, fresh look to match. The deep single stainless sink basin, with top-fill, liquid soap dispenser, is easy to clean and makes handwashing an absolute breeze. It's dressed to impress with a cherry or maple woodgrain finish, so all you have to worry about is what to put in those extra storage areas.

### ADAVM-LM-SS1DN
