Notes & Details

This AvaMix commercial spice grinder is a great addition to any commercial kitchen! This spice grinder effortlessly grinds spices such as peppercorn, nutmeg, cloves, and nuts. It includes 2 removable, dishwasher-safe stainless steel grinding bowls. By having multiple bowls, this unit allows you to grind multiple spices without having to wash the bowl in between batches. Each bowl has a 1.5 cup capacity to hold a substantial amount of spices. Plus, they come with convenient rubber-rimmed lids so that you can also use the bowls to store your freshly ground spices.

This unit features a high-performance, commercial-grade motor that operates at a rate of 20,000 RPM for optimal grinding power. It is easy to operate with a simple on / off button, and it also features a pulse button to easily manage the grind consistency. This model has a safety switch that only allows the grinder to operate once the cover is properly in place. Add fresh, rich flavors to your signature dishes with this handy spice grinder. This unit requires a 120V electrical connection for operation.
